## The Luton Town FC Elite Boys' Academy in Partnership with Hitchin Town FC and Central Bedfordshire College

Luton Town F.C. in partnership with the Hitchin Town FC and Central Bedfordshire College, are delighted to be launching an Elite Boys' Football Academy for September 2010.

The partnership formed by Luton Town and Hitchin Town will give players the opportunity to progress with both clubs. Luton Town have one of the most successful Youth Programmes in the country with seven graduates now playing in Premier League. Hitchin Town are one of non-league's most progressive clubs, and have recently refurbished their state of the art training facility in Baldock.

The Academy will combine a first class training and coaching programme (delivered by Luton Town's UEFA A Licence coaches) with an educational package delivered by The Central Bedfordshire College at the North Herts Arena in Baldock.

Acceptance into the Academy will depend upon players being 16 or 17; be of the appropriate high standard in football, as judged by references and a trial observed by the Luton Town coaching staff; pass an academic profiling exercise; and, commit to 2 years of education.

If successful, you can expect to receive:

- A daily training/coaching programme delivered by Luton Town FC coaches
- Play as the Luton Town Academy team in a league/competitive situations
- The opportunity to progress in Luton Town's Youth Team
- The opportunity to represent Hitchin Town's Under 18 and reserve team in a league.
- An academic programme tailored around your training schedule
- The opportunity to complete the FA Level 2 coaching award
- A specific and monitored physical training programme.
- A first class academic programme monitored by our Education Officer.

There will be a trial at The North Herts Arena on Wednesday 8th July. At the trial there will be a practical component, where you will be assessed by the coaching staff and an academic presentation and profiling exercise by representatives of Central Bedfordshire College.
